DR MEL BORINS & doctors-on-tour.ca PRESENT AN  
**ECOLOGICAL & CME TOUR OF PERU to THE GALAPAGOS  
& ECUADOR**

FEB 5 - 24, 2009 (20 days, 19 nights)

**The tour...**

Andean culture, Amazon rainforest, volcanic countryside, colonial cities, the Galapagos Islands – this is Ecuador, home to arguably the most spectacular array of natural and cultural diversity anywhere. Our luxury tour takes you into the **Galapagos Islands** – one of the most undisturbed and incredible eco systems on earth with it's incredibly unique species and the home of Darwin's theory of evolution. Then, head into the heart of the **Amazon rainforest** with it's multitude of plants, birds and animals. Hike, canoe or simply sit on your private cabana's terrace and see the greatest bio-diversity in the planet as well as learning about the indigenous Achuar Indians. And explore **Quito**, with it's UNESCO colonial centre and countless museums as well as a visit into the spectacular Andean foothills and a stay in a local hacienda in **Otavallo**, the continent's most famous trading fair. And afterwards, the opportunity to extend your trip into **Peru** including **Cuzco & Machu Pichu** and the fascinating Inca culture.

**The CME academic program...**

A full Academic Program in Quito including opportunities to hear from both Canadian & Ecuadorian medical experts, medically relevant presentations from indigenous people in the Amazon and the Galapagos and local hospital tours in Quito.

**What the physicians are saying...**

I want to express our appreciation for a wonderful trip which we will need to review again over the coming days to catalogue and appreciate all the places we visited and the marvelous things we saw. Dr. Rudy Hyles, Mississauga – Ecuador & Galapagos, 2008
